HEAD COACH - GLENN EVANS

Glenn Evans has posted a composite 150-74-3 (.667) record in 14 seasons as the head coach of Gents soccer. Evans, the pioneer of Centenary's program way back in 1975, continues his dual role of heading both the Ladies and Gents programs.

Evans guided the Gent program from its inception through 1978, before returning at the start of the 1983 campaign. During his tenure, the Gents posted **nine consecutive winning seasons** (1983-91), including **three straight Trans America Athletic Conference Championships**. For his and the team's efforts, Evans was named the TAAC Coach of the Year for three consecutive seasons from 1988 to 1990.

Last year, Evans guided the first ever Ladies program to a surprising 9-6-1 record. The season was highlighted by the Ladies' first NCAA Division I victory over Arkansas-L.R. Evans looks toward continued improvement in 1993 as the Ladies will play in full Division I status.

Now in his 15th year at Centenary, Evans earned a B.S. in Health and Physical Education as a Gent in 1969. He received a master's degree in Education from the University of Georgia in 1970.

A product of Herkimer (New York) Senior High, where he played basketball and baseball, Evans attended Hartwick (New York) College for two years before coming to Shreveport. He coached soccer and basketball for four years at Athens (Georgia) academy and then coached soccer and basketball at California Baptist (Riverside) for one season.

Evans, 48, is the Superintendent of Athletics for Shreveport Parks and Recreation. He and his wife , Karen, have four sons - Chad, 27; Scott, 22; Trey, 9; and Brian, 7.

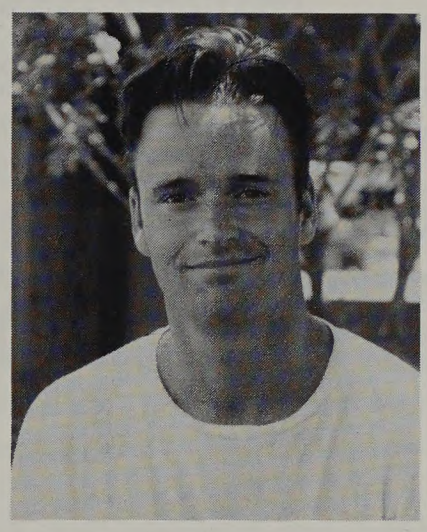
Assistant Coach - Gareth O'Sullivan



When Assistant Coach Bert Locke announced he would be returning to his native South Africa after the 1992 season, Centenary Head Coach Glenn Evans began his search for an assistant to both the Gents and Ladies soccer programs. Once again, Evans dipped into international waters with his selection of Gareth O'Sullivan.

O'Sullivan was born in Ballina, Ireland where he grew up playing for the Ballina Town Football club. In 1989, he began his playing career at Memphis State from which he graduated in 1992 with a degree in International Business. As a Tiger, O'Sullivan was a major contributor to the MSU program and ranks second on the all-time scoring list there. In an ironic twist, the Gents and Tigers squared off against one another in 1992, with Memphis State winning 4-0 behind O'Sullivan's goal and two assists.

O'Sullivan, 23, has coached the under-18 team in Ireland as well as a ladies basketball team. A talented golfer with an eight handicap, O'Sullivan is single.

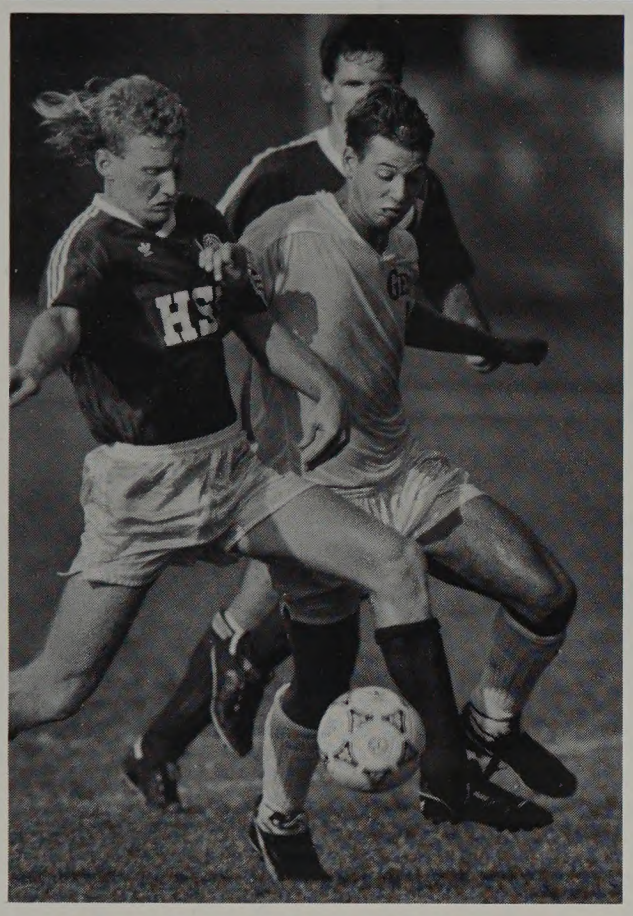
1993 GENTS OUTLOOK



Junior forward Jona Husbands battles for possession against a pair of Hardin-Simmons defenders in the Gents' 4-0 win last season. Husbands will again be one of the main cogs in the Gents' offense this season.

GENTS LOOK FOR RETURN TO WINNING WAYS...

Unlucky. That was the word used most often to describe the 1992 season-- a season the 1993 Gents hope to bury in the past. With a number of injuries to key personnel and a general lack of offense, the Gents struggled to a 3-17 record and sixth place finish in the Trans America Athletic Conference, the worst finish by any Centenary team under **Head Coach Glenn Evans** in his 14 years at the school.

The 1993 campaign will not be any easier as the Gents lose four starters from the '92 squad. Gone are 2nd team All-TAAC performers Keenan Paris (led team with 5 goals and 13 points) and Jamin DePrang (led team with six assists). Also missing will be a pair of three-year starters in midfielder Serge Hudson and defenseman Brad Sanders.

Losing these starters and facing a schedule with 18 quality Division I opponents could cause many coaches to lose sleep at night, but Evans looks forward to the challenge with a balanced attack of young newcomers and proven veterans.

"It's always tough to lose players of that caliber, but we have to overcome that," said Evans. "We have a lot of new faces who give us depth and will challenge for starting positions early, so the older guys are going to have to step forward and lead this team by example to regain the winning Centenary tradition."

THE FORWARDS: Evans will look towards two players to revitalize an offense that scored only 25 goals all year in 1992. Junior **Jona Husbands** comes into the '93 season as the leading scorer among returning lettermen with 8 points (4 goals, 0 assists). Sophomore **Scott Garrick**, the third leading scorer of the returnees with 6 points (2 goals, 2 assists), could play along side Husbands up front or as an attacking midfielder.

THE MIDFIELD: The midfield was the hardest hit, returning four letterwinners and only one starter. Junior **Mike Arne** started 18 of 19 games last year despite a nagging back injury that forced him to redshirt the 1991 season. Juniors **Charles Mentesana** and **Joel Blakeney,** along with sophomore **Thuan Thai,** will compete to fill the remaining two spots.

THE DEFENSE: The Gents could be strongest in the back after losing only one starter. Senior **Jason Phillips** returns after starting all 53 games in which he has played during his Centenary career. Junior **Josh Fairbanks** comes in as a solid defenseman and the only player from last year's team to start in all 20 games. Senior **Chris Garrett** played well at the beginning of 1992 before a hamstring injury cut into his playing time. Sophomore **Matt Thornton** was steady in his first year as a Gent and started the final three games of the season. Senior **Paul Berry** will compete for a starting position after playing in 16 games last year. **Kevin Rice**, who redshirted 1992 after playing in three games as a sophomore, returns for 1993 and could also see time in the midfield. Sophomore **Dell Taylor** will also fight for time in the back. Senior **Jeff Ramsey** returns for his final year in the net after starting 14 games last season. The Fort Worth, TX, native posted a 2.87 G.A.A. last season and shared two shutouts. Sophomore **David Orr** should also compete for playing time.

THE NEWCOMERS: Evans also signed forwards **Craig Johnson** (Duncanville, TX), **Toby Maxson** (Lewisville, TX), and **Scott Yerby** (Baton Rouge, LA) to help the Gents' scoring attack. The defense should be aided by defenseman **Ryan O'Leary** (Katy, TX), **Neal Williams** (Plano, TX), **Danny Warren** (U. of Connecticut) as well as goalkeepers **Tim Chastain** (U. of Connecticut) and **Keegan McConnell** (Dallas, TX).

THE SCHEDULE: The Gents will face TAAC champion Mercer as well as conference rivals Stetson, Florida International, Georgia State, Central Florida, and the College of Charleston in regular season play. The winner of this round robin regular season schedule will be the 1993 TAAC champion.

The Gents will also host non-conference foes St. Edward's, Texas Christian, North Texas, Southwest Missouri State, and Memphis State, while they will hit the road for matches at Hardin-Simmons, SMU, Jacksonville, South Alabama, and the St. Edward's Tournament.

1993 LADIES OUTLOOK

"SUPER SOPHS" SET FOR SECOND SEASON...

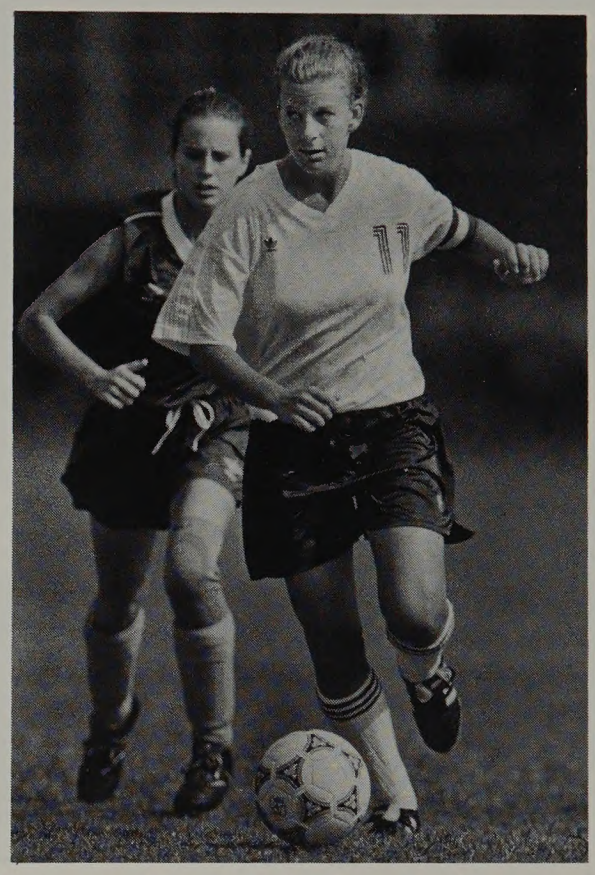
Talk to Centenary **Head Coach Glenn Evans** about the Ladies soccer program and you will see a smile come across his face. After looking at the team statistics from 1992, it is easy to see why Evans feels optimistic for the 1993 season. In the first year of the program, the Ladies posted a 9-6-1 record with a young team of 12 freshmen, 3 sophomores, and only 1 senior.

Now, the Ladies will face a tougher NCAA Division I schedule as they compete for the first ever Trans America Athletic Conference women's soccer championship. Gone is Shelley McMillian, the lone senior from last year's squad and fourth leading scorer on the year with 15 points (4 goals, 7 assists). The midfielder led the team in assists and scored the first goal in Ladies history.

Despite losing McMillian's spark off the bench, Evans feels confident with nine starters returning, all of them sophomores.

"Last year was quite a surprise," said Evans. "With only 15 players in the first year of the program, no one expected us to be competitive, but we were able to cast those doubts aside with an impressive first season."

THE FORWARDS: The Ladies will be led offensively by **Shelley Marusak**. The Palmer, TX, native led the Ladies with 35 points (16 goals, 3 assists) and was tied for ninth in the South region in scoring. Her remarkable numbers also put her at 26th in the nation in scoring. **Lynn Zeller** scored 7 points (2 goals, 3 assists) and could also see time in the midfield.



Sophomore defender Debra Pratt should once again be the heart of a Ladies defense that recorded seven shutouts last season. The speedy sweeper can also be an offensive threat as she scored two goals and assisted on two more in 1992.

THE MIDFIELD: This group could be the strongest part of the Ladies with all four starters returning. **Sherri Blake** was second in scoring for the Ladies in 1992 with 24 points (9 goals, 6 assists). Blake, known for her booming shots, also tied for second on the team with six assists. **Samara Weinstein** ended the 1992 season with 13 points (5 goals, 3 assists) and could also see time up front. **Kathy Brashears** was the third leading scorer from last year's squad with 17 points (7 goals, 3 assists) and started every game in 1992.

THE DEFENSE: The Ladies return a tough defense from 1992 that allowed opponents a little over one goal per game. The defense is anchored by sweeper **Debra Pratt** who started every game last year. The speed Plano, TX, native kept opposing offenses at bay but still managed to score six points (2 goals, 2 assists). Like Pratt, defender **Kimberly Velez** started all 16 games in 1992 and finished with 3 points (0 goals, 3 assists). **Wendy Eckstrom** started in 15 of 16 games and was the highest scoring defender with 11 points (4 goals, 3 assists). **Carrie Phillips** should also compete for a starting spot. In goal, the Ladies will be led by **Martha Chaney** who posted a 1.82 G.A.A. in 15 games in the net. Chaney recorded five shutouts on the year with four of those being solo. With only 15 players last year, the athletic Chaney was sometimes forced to move to the forward position where she recorded three points (0 goals, 3 assists); however with new players coming in, Chaney will be a permanent fixture in the net.

THE NEWCOMERS: By signing 10 freshmen newcomers and gaining one transfer, Evans will be able to take advantage of a deeper bench, a luxury he did not enjoy in 1992. **Jeanette Bingeman** (Plano, TX), **Krista Camplen** (Plano, TX), **Allison Gutierrez** (Plano, TX), **Krisen Mavico** (Arlington, TX), **Kristin Morgan** (Duncanville, TX), **Michelle Petrik** (Richardson, TX), **Angela Ratliff** (Arlington ,TX), **Brandy Rentz** (Plano, TX), **Lisa Robertson** (Austin, TX), **Lauren Madigan** (Albuquerque, NM), and sophomore **Amy Mieger** (Texas Tech) will challenge for playing time and give the team added depth.

THE SCHEDULE: The Ladies will face TAAC foes Mercer, Georgia State, Florida International, Stetson, Central Florida, and the College of Charleston in regular season play for the first time ever.

The winner of this round robin regular season schedule will be the 1993 TAAC champion and will go down in the record book as the ***first TAAC champion in women's soccer***.

The Ladies will also host non-conference foes Arkansas-Little Rock, Texas Christian, Southern Methodist, Oral Roberts, St. Edward's, Millsaps, and Texas A & M.
